Subject: Photo ID Requirement for 2012

Photo ID's are required for all ASA of PA teams participating in advanced play tournaments – all State Championships, all National/Territory Qualifiers and all National/Territory Championship tournaments.

ASA photo ID's purchased through REGISTERASA are required for all ASA of PA 18U GOLD teams and are still highly recommended for all Class A and Class B fastpitch and slowpitch teams, however, because we were unable to give our teams advance notice of the increase in individual registration fees for 2012 in sufficient time for budgeting purposes, we have decided to relax our policy for 2012 concerning ASA photo IDs. If the additional cost presents a true financial burden for your team/organization, you may opt to use the 3-document process accepted in past years – current photo, copy of birth certificate and ASA non-photo ID – as proof of identity when checking in for advance play and championship tournaments.

If using the 3-document ID process, we ask that you create a separate page for each player with a clear copy of each of the above and the player's signature filed in a 3-ring binder or notebook in the order your players appear on the ASA Championship roster.

Keep in mind that using this 3-document form of player identification will require additional time to check-in at advanced play and Championship tournaments, so please plan to arrive a minimum of 1-1/2 hours prior to game time and allow up to 1 hour for the check-in procedure.
